Halberd Hook Rider attack:

Use any dice between 1d4 to 1d20. Roll twice. Lowest = Cost, Highest = Chance on a d20 that the weilder will hook the rider. If hooked, rider + weilder roll 1d6 and add Power Rating. If weilder's is higher, then he pulls rider from horse (treat as a 10 foot fall).

Halberd Trip attack:

Use any dice between 1d4 to 1d20. Roll twice. Lowest = Cost, Highest = Chance on a d20 that the weilder will hook the targets foot. Must still "hit" the target. If hooked, weilder rolls 2d6 and target rolls 1d6. Each add their power rating to the result. If Attacker's final number is higher, then he trips the target.

# Sandpoint Militia

Many of the soldier found in Sandpoints militia are veteran fighters that have been working for Rhys and Maia for years. As such, the stats that are given are probably a bit low.

Although these men and woman are as rough and tough as they come, they do tend to have a very professional view of what they do. They are very loyal to each other and to their leaders. If one of them does get out of control, others will help to straighten it out or cover it up.

Out of the 100 militia 15 are followers of the deity Hussar. Since these men and woman are acolytes at this time I have not listed their worship level. They do display Hussar's symbol proudly as required by their religion (some have it on their shield, some on their cloaks, some display it upon the shirt sleeves).
